

Handsworth Medical Practice

Patient Participation Group

The aim of these groups is to:

- Gain patient views and ideas on services that we provide
- Help the practice to integrate more with our patient community
- Help us to continually move forward as a practice

The PPG meets in surgery 3 times in a 12 month period. These meetings will be held either during working hours or in the evening. Virtual PRG patients correspond with the surgery by email and this links into the PPG meetings.

For more information visit our website:
